

## ELFSTONE KENNEL, LLC introduces NORA

### NORA

Nora is a pure bred German Short-haired Pointer. Bred to be a sled dog, she is high maintenance since she thinks the world was made for her. While in harness she is 33 kg/73lb of fast forward and very, very strong. Nora can run at full speed for up to 8mi/12.9k. With her large ears it is weird to see her run but worth it! Will be at right lead on the 4 dog when Crystal is not at lead – otherwise is at right wheel. Mother to 14 excellent pups in May 2011.
